

LEVEL 3

CERTIFICATE IN THE PRINCIPLES OF END OF LIFE CARE

ABOUT

Level 3 Certificate in the Principles of End of Life is for employed or unemployed people.

This qualification is designed for anyone who is seeking to increase their knowledge of end of life care in a vocational setting.

It is aimed at those working in the healthcare sector whose job description includes caring for those who have a life limiting illness.

This qualification is also appropriate for those who have already achieved other sector-specific qualifications in the healthcare sector who need to apply their understanding in a palliative care context.

DELIVERY

Blended delivery including; one to one support with a competent tutor, along with a remote or face to face learning environment. We have a recently developed an ESkills platform that all learners can use as a resource when completing their units to develop their competencies
